HIGH TIMBER

restaurant

High Timber will mark a first for the UK restaurant industry as it pairs one of South Africa's foremost wine producers, Jordan Wine Estate, with a leading London restaurateur, Neleen Strauss.

Opening in March 2009, it will be the only restaurant in the City of London with seats on the banks of the Thames.

High Timber will house a cellar of more than 40,000 of the world's finest and rarest wines and serve a seasonal menu whose quality and provenance will set new standards for the Capital.
