

THE WINES OF  
**JORDAN**  
STELLENBOSCH

Jordan Nine Yards Chardonnay 2015

#### BACKGROUND

*The Ultimate Expression of Jordan Terroir. The Nine Yards Chardonnay is made in a reserve style, from barrel selection from our best vineyard site. Stylistically different to our Jordan Chardonnay, with this wine we went "The whole nine yards!"*

#### LOCATION & CLIMATE

The distinct ravine which embodies Stellenbosch Kloof harnesses all the qualities of a well-orientated compass. Varying elevations and aspects allows us to grow a selection of classic varieties to specific sites that optimise this expression through their location. The cooler south- and east-facing aspects, unique in Stellenbosch, hosts the more sensitive and aromatic white-skinned grape varieties.

Stellenbosch Kloof enjoys a cooler Mediterranean climate with maritime influences from False Bay, 14km to the south, and a refreshing breeze channelled from the West Coast's Benguela current 24km to the north-west. These two breezes culminate at the top end of the ravine and bring in early morning mists, especially from False Bay. Consequently, temperatures in our meso-climate can be measured at least 3° Celsius cooler than inland Stellenbosch during ripening periods. This adds a unique characteristic to Jordan wines.

#### WINEMAKING & MATURATION

Crushed and pressed immediately after de-stemming, the juice was barrel-fermented in traditional 228-litre French oak barrels (90% new and 10% second fill) from selected Burgundian cooperages (Damy, Chassin and Rousseau). The barrels were inoculated with a selection of French yeast. A percentage of the wine went through natural fermentation. The wine was matured "sur lie" for 11 months, with regular barrel-rolling to accentuate the rich, leesy character.
