

THE WINES OF
JORDAN
STELLENBOSCH

BACKGROUND

The gardens and willow trees at Jordan are home to the Cape Dwarf Chameleon. Chameleon is a wonderfully apt name, expressing the changing flavours of the component varieties of these fruit-driven blends.

LOCATION & CLIMATE

The distinct ravine which embodies Stellenbosch Kloof harnesses all the qualities of a well-orientated compass. Varying elevations and aspects allows us to grow a selection of classic varieties to specific sites that optimise this expression through their location. The cooler south- and east-facing aspects, unique in Stellenbosch, hosts the more sensitive and aromatic white-skinned grape varieties.

Stellenbosch Kloof enjoys a cooler Mediterranean climate with maritime influences from False Bay, 14km to the south, and a refreshing breeze channelled from the West Coast's Benguela current 24km to the north-west. These two breezes culminate at the top end of the ravine and bring in early morning mists, especially from False Bay. Consequently, temperatures in our meso-climate can be measured at least 3° Celsius cooler than inland Stellenbosch during ripening periods. This adds a unique characteristic to Jordan wines.

APPELLATION

Wine of Origin Stellenbosch.

SOIL

Decomposed granite and loam.

ASPECT

Cool south- and east-facing vineyards, 220m above sea level.

AGE OF VINES

14 - 26 years

BLEND

61% Sauvignon Blanc , 21% Chardonnay and 18% Chenin Blanc

ANALYSIS

Alc: 13%

Total Acid: 6.4g/l

pH: 3.24

Residual Sugar: 4.0g/l

TASTING NOTES

Its chameleon-like character adapts to any drinking experience, from summer sipping to Alfresco dining. Showcasing the broad fruit spectrum found in the Winelands, initial forward Cape green fig flavours follows through to a layered palate of ruby grapefruit and winter melon glacé.

HARVESTING

The Sauvignon Blanc was harvested between 12th and 15th February 2010. The Chardonnay on 19th February 2010 and Chenin Blanc on 4th March 2010.

WINEMAKING & MATURATION

The sauvignon blanc was tank fermented to retain its intense varietal character and blended with tank fermented chardonnay and chenin blanc that received extended lees contact, to create a full, fruity wine.

FOOD SUGGESTION

Versatile white – with or without food. But perfect with a creamy pasta dish.
