

Jordan Inspector Péringuey Chenin Blanc 2023

THE WINES OF
JORDAN
STELLENBOSCH

BACKGROUND

Named after Louis Albert Péringuey, the 19th Century Inspector-General of Vineyards in the Cape, who led the fight against phylloxera and supervised the importation of American rootstocks onto which the various vineyard varieties were grafted.

LOCATION & CLIMATE

The distinct ravine which embodies Stellenbosch Kloof harnesses all the qualities of a well-orientated compass. Varying elevations and aspects allows us to grow a selection of classic varieties to specific sites that optimise this expression through their location. The cooler south- and east-facing aspects, unique in Stellenbosch, hosts the more sensitive and aromatic white-skinned grape varieties.

Stellenbosch Kloof enjoys a cooler Mediterranean climate with maritime influences from False Bay, 14km to the south, and a refreshing breeze channelled from the West Coast's Benguela current 24km to the north-west. These two breezes culminate at the top end of the ravine and bring in early morning mists, especially from False Bay. Consequently, temperatures in our meso-climate can be measured at least 3° Celsius cooler than inland Stellenbosch during ripening periods. This adds a unique characteristic to Jordan wines.

APPELLATION

Wine of Origin Stellenbosch.

SOIL

Decomposed granite and loam.

ASPECT

Cool south- and east-facing vineyards, 220m above sea level.

AGE OF VINES

40 years old.

CLONES

Montpellier.

BLEND

100% Chenin Blanc.

ANALYSIS

Alc: 14%

Total Acid: 6.1g/l

pH: 3.43

Residual Sugar: 1.8g/l

TASTING NOTES

French oak adds style and class to this magical grape. A contemporary and deliciously mouth-filling experience of white pear, quince and green pineapple interlaced with a spicy complexity.

HARVESTING

The grapes were harvested in the early morning on the 6th and 13th of February 2023 at 22.4°B.

WINEMAKING & MATURATION

After gentle pressing followed by cold-settling for 2 days, the juice was fermented in 228L in 2nd & 3rd fill Burgundian-shaped barrels, concrete, and in amphora. The wine was matured “sur-lie” in the barrel for 6 months with occasional “barrel rolling” to add richness to the palate. To accentuate the fresh citrus flavour, 29% tank-fermented Chenin Blanc was blended with the barrel fermented portion.

ACCOLADES

2022 - 91 points Tim Atkin

2022 - Bronze - Old Mutual Trophy Show

2022 - Gold—National Wine Competition

2021 - 91 points Tim Atkin

2021 - 91 points James Suckling results

2020 - 91 points Tim Atkin SA Report
